I, DIETER SCHELLER, hereby state:

1. I am a named inventor together with FRANK DRESSEN in International Patent Application No. PCT/EP2004/014656, of which the above referenced application represents U.S. national entry under 35 U.S.C. §371.
2. I understand that a determination of inventorship of the invention as presently claimed in the above referenced U.S. application has been made by U.S. counsel, and that as a result I am considered to be the sole inventor of the above referenced U.S. application under U.S. standards for determination of inventorship.
3. Although no known error was made in naming FRANK DRESSEN as an inventor in International Patent Application No. PCT/EP2004/014656 for countries other than the U.S., I understand that an error may have been made in identifying him as an inventor/applicant for the U.S. only.
